## **Welbilt Appoints Cherevaty and Brownlee to New Leadership Roles**

**VERNON HILLS, Ill. (August 18, 2025)** – Welbilt®, the global leader in foodservice equipment solutions, today announced two key leadership changes, both to take effect September 1, 2025.

**Scott Cherevaty** will take on the role of Group President at Welbilt, while he continues in his current role as President of the Champion Group (Champion Industries, Moyer Diebel Limited, and Bi-Line Systems). In his expanded capacity, Cherevaty will also work with the leadership of the American Dish Service and Edlund brands to drive synergies across the group. Brownlee joined the group in 2018 as a Senior Buyer for Beverage-Air and Victory, and has held several leadership roles with the company before being named General Manager in 2025. He will continue to report directly to Oscar Villa, Group President at Welbilt.
